### COMPLEAT SOFTWARE APPOINTS PARTNER MANAGER TO GROW UK CHANNEL BUSINESS

**-Compleat hires multi-award winning channel recruitment expert Jason Alexis-**

**26 January 2010: Compleat Software Limited** <http://www.compleatsoftware.com> a provider of e-Procurement, employee expense automation and cashflow management solutions, today announces the appointment of multi-award winning channel recruitment expert Jason Alexis to Partner Manager. In this newly created role, Alexis will work closely with CEO Neil Robertson to continue the recent expansion of the company's channel network, and help existing partners to maximise sales.

Alexis brings 20 years experience in ERP, CRM & Business Management to Compleat Software, with a particular focus on SAP Business One, Microsoft Business Solutions (previously known as Great Plains), Pegasus and MISYS products. He has a consistently high record of achievements, including eight awards for his success in partner recruitment and management with Microsoft Business Solutions, and is highly regarded in the industry.

Neil Robertson, CEO of Compleat Software, comments, "I am delighted to welcome Jason Alexis to Compleat Software and work with him again. He is the ideal person for the job, with the training and experience required to help Compleat and its partners promote, develop and install the 'Compleat' spend control solution to UK businesses. In 2010, more and more companies will be looking to control budgets and corporate spend, and eventually every financial director will be using an e-Procurement system. As solutions have historically been too expensive for SMEs, the market for a product like 'Compleat' is huge and we are encouraging resellers to understand and capitalise on this opportunity now."

Alexis says, "This is a very exciting time to be joining Compleat Software. The company has developed a solution that answers to the biggest concerns of businesses today, and as a result it has enjoyed tremendous success in recent months. I am looking forward to building on this success, and applying my knowledge and expertise to help grow the channel and support our reseller partners."

'Compleat' from Compleat Software is a mature and fully-proven cashflow management and commitment accounting solution with a customer base that spans multiple vertical markets such as Sport / Events, Hospitality, Financial Services, Design and Property Development, Education, Media, Retail and Not-for-
